

## Welcome to Westboro Elementary!!

This folder is full of information regarding our school and the process for Kindergarten registration.

Please note that in order to register your child for Kindergarten, **they must be five years old on or before December 31 of the given school year** to start Kindergarten in Elk Island Public Schools (EIPS).

At Westboro Elementary, we offer **both Regular and Logos program Kindergarten**. Regular Kindergarten programming is offered Monday and Wednesdays and alternate Fridays, full days, and Logos programming is offered Tuesday and Thursday and alternate Fridays, full days. If class sizes allow, additional classes will be considered. **Please ensure that you make a note of your preferred class day on your registration form in the event that we are able to create additional classes.**

Please note that priority for registration will be given to students who reside within our school boundaries. If you wish to attend Westboro Elementary from another boundary within Sherwood Park, you must apply for a boundary exemption. This process is outlined in the EIPS Kindergarten Procedure document found on our school website or on the Elk Island Public Schools website.

Please review all of the information within this folder and carefully complete and return all necessary documents (as outlined below) to our school secretary, Mrs. Berube. A copy of your child's birth certificate is also requested when you submit your documentation.

**We are so pleased that you are considering Westboro Elementary as your child's school. We will be happy to answer any questions that you may have regarding our school and program and for even more information, please feel free to attend our Kindergarten Open House evening on:**

**WEDNESDAY, APRIL 25<sup>th</sup> from 6:30 – 7:30 p.m.**
