Treasurer Report:

Desiree gave the following report :

There is \$21,356.57 in the bank. This includes the most recent cheque from Save-On Foods. The money from the hot lunch that didn't happen last year is still up in the air. There was an email sent out to parents saying if they wanted their money back to get in contact with the school. As it stands, then the money that is left over should be taken as a donation for the hot lunch program. Desiree will look into it and get back to the group next meeting.

Teacher Request:

Courtney explained about the residency and how well it is going. She explained how the students are enjoying it and the benefits of it. Courtney asked if the Parents Group would be willing to support another residency next year. The group may be willing to support depending on the cost.

Parents Group moves that Westboro look into a residency for the 2021/2022 school year, preferably in Spring of 2022 and come back to the group with a proposal.
Moved by Desiree Williams, seconded by Karry Biri

Allocate Money for ASCA conference:

Parents group wants to support parents who are committed to school council and as such is willing to support up to 5 school council members to attend ASCA conference. School council members who attend are expected to report back at the May council meeting.
