FI and redesignation of Lakeland Ridge Senior High Attendance Area- January 29 we held an open house on a draft transition plan. The plan was well received. The plan will allow the grade 11 students to complete their grade 12 at Ardrossan and Sherwood Heights grade 9 students to Sal for Grade 10 a year ahead of the program moving. Since both Facey and Sal both have open boundaries, Lakeland Ridge students will have the choice to remain to complete their remaining grades at Sal if they want.

Alberta School Councils Association – The Board has approved the sponsorship of our school council registration for the upcoming Alberta School Council Association Conference. Information will be sent out to each school council on how to register for the conference.

Student Transportation – It has come to our attention that given that the Student Transportation Regulations wasn't amended to reflect the reduced eligibility distance, we will be running a deficit for this year as we set the fees to reflect how funding was calculated and not how the government decided to calculate. We will be appealing the number they are using. If we the regulation isn't amended, we will need to reconsider our service levels and the fees amounts that will be charged for the upcoming year.

Retreat - The Board had a three-day retreat Feb 10-12. These discussions will shape the work of the Board's work for the remainder of this year and next.

The Government will be releasing the Budget on February 27.

Westboro (WBO) Elementary School Council Principal Report

February 11, 2025

1. Welcome & introductions!
 - a. Welcome to Trustee Boymook and our executive, as well as all the parents/guardians who have taken time out of their busy schedules to join us tonight! I truly appreciate the opportunity to work collaboratively to support student success at Westboro!

2. Kudos!
 - a. Thank you to our Parent Society for supporting Westboro in having Alberta Opera present Rapunzel to our school! Unfortunately, the cold weather caused their vehicle to fail but thankfully we have rescheduled for Thursday, April 3 at 1:30 p.m.
3. Welcome NEW Staff!
 - a. Mr. Fujji, an educational assistant who was on leave, has resigned which opened an educational assistant position. I am excited to welcome Amy Johnston to the Westboro family. Amy is working primarily in our grade 5 classrooms.
 - b. I am also happy to announce that we have added another educational assistant in our PLACE program. I would like to welcome Valerie Groff as well to the Westboro family!

Our last book club is February 12 and we will be discussing Chapter 5 **Brain-Aligned Preventive Discipline: Putting It All Together!** And Chapter 6 **Early Childhood Brain-Aligned Preventive Discipline**. I have an extra copy if anyone would like to borrow it and read it.

5. School Education Plan

- a. I have copies of the 2024-25 School Education Plan and would like to ask you to take a copy, or go to the school website (www.westboroelementary.ca) and provide us with any feedback you might have that would help us best serve our students.
- b. This year our grade 4, 5 and 6 classes participated in Project 5 (www.projectfive.ca) which is a workshop for elementary to post-secondary meant to help others become more confident speakers. The feedback we received from staff and students was phenomenal and so we are looking at how we can get Carmen Liebel back for next year as she books up early. It is quite a costly and without knowing what our funding will look like for next school year, I would like to respectfully request that our Parent Society consider funding some or all of the approximately \$2600 that it would cost.

6. Division Calendar 2025-26 & Draft Bell Schedule

- a. I have copies of the 2025-26 calendar, which I spoke about at the last meeting and wanted to share a bit more about the draft bell schedule for elementary schools as I have had a few questions about that. As always, all feedback is encouraged.
